2010 until September 2018: Equine Veterinary Surgeon in a large private equine practice

2018 to current: Director and Equine Veterinary surgeon at Greenway Equine Veterinary Services Ltd.

I am Suzanne Green. My Occupation is an Equine Veterinary surgeon. I am a director at and an equine Veterinary Surgeon at Greenway Equine Veterinary Services LTD in Lancashire. I qualified from the University of Edinburgh in 2010 with the degree of Bachelor of Veterinary medicine and Surgery (BVM&S) and have been a member of the Royal college of Veterinary Surgeons (MRCVS) since that date. I have been a 100% equine veterinary surgeon since graduation and developed a keen interest in equine welfare work from early on within my career. I completed my master's in veterinary forensic science with the University of Florida in April 2022. I am a member of the Academy of Experts, a member of the National Expert Witness Agency and a member of the International Veterinary Forensic Science Association. I completed my expert witness training in criminal and civil law and have the Cardiff University Bond Solon certificates in 2018. I am currently undertaking a Master's in Animal Welfare policy and legislation with the University of Hartpury.

I completed an Advanced Practitioner certificate in Advanced Veterinary Practice, with the University of Liverpool in December 2024. Special interests include gastroscopy, dentistry, ophthalmology, respiratory conditions and equine welfare and forensic case work. I was the veterinary surgeon for the Lancashire Constabulary mounted branch work for 6 years and also their veterinary advisor for the Benevolent fund for retired police horses for this time. I am also veterinary advisor to the Rescue Equine Showing Society. I was the Veterinary Surgeon in attendance at World Horse Welfare, Penny Farm, from November 2011 to September 2018.

I regularly provide lectures and spoke at the 2026 British Equine Veterinary Congress conference on Forensics within veterinary medicine and expert witness work. I have previously provided training and

lectures for students and trainee welfare officers at Leahurst (Liverpool Veterinary School) and Surrey University regarding welfare work and frequently provide education to various groups. I am also one of the five official vets at Appleby horse fair since 2016. I am involved with five different area National equine welfare councils (NEWC), which tackle welfare issues of horses across the UK with horse welfare charities.

I am an experienced equine welfare veterinary surgeon and have written hundreds of expert reports and attend court on very regular occasions within this field. I am happy to undertake instruction from both prosecution and defence in this field. I have a sound working knowledge of the Animal Welfare Act 2006 and the Control of horses Act 2015, as well as PACE, the Defra codes of practice for the welfare of equines and the Scottish and Welsh legislation. I have also undertaken Farrier's registration council instruction and local authority instruction. I am happy to act as on single joint expert or single expert basis and am fully competent at joint report writing. I have more recently been involved as veterinary advisor to energy companies regarding the effects of renewable energy developments on equines within those construction areas. I have also been involved in Parliamentary round table discussions on the effects of fireworks and animals.

I was the winner of the British Equine Veterinary Association Equine Welfare Award in 2019 and was also awarded the Douglas Houghton Memorial Grant in 2018. In 2021 I was awarded the British Horse Society welfare award. I attended the House of Commons in March 2023 to on a roundtable discussion to discuss the Animal Welfare Act 2006 and its enforcement.
