

CURRICULUM VITAE

OF

PAUL RICHARD HOWELL

1st October 2016

PERSONAL DETAILS:

NAME: Paul Richard HOWELL

HOME ADDRESS: 7 Orlestone Mews
London N7 8LL
United Kingdom

Tel: +44 207 609 3910 (Home)
+44 203 594 1328 (Office - RLH)
+44 208 510 5218 (Office - Homerton)

Fax: +44 208 510 7261 (Office - Homerton)

Mobile: +44 7711 007 134

E-mail: paul@drpaulhowell.co.uk
paul.howell@bartshealth.nhs.uk
paul.howell@homerton.nhs.uk

DATE OF BIRTH: 20th September 1957

GMC Registration No: 2723749

GMC Revalidation Date: 13/11/2018

MDU Membership: 165292B

UNIVERSITY EDUCATION: University of St Andrews
1975 - 1978

University of Manchester
1978 - 1981

QUALIFICATIONS:

BSc	1978
MB ChB	1981
FRCA	1987
HPT Accreditation	1992
Specialist Register	1997

ASSOCIATIONS: British Medical Association
Association of Anaesthetists GB & Ireland
Obstetric Anaesthetists' Association
Difficult Airway Society

CURRENT APPOINTMENT:

(Appointed September 1992)

Consultant Anaesthetist & Honorary Senior Lecturer, University of London

Barts Health NHS Trust Homerton University Hospital NHS Foundation Trust

Royal London Hospital
Whitechapel
London E1 1BB
United Kingdom

and

Homerton University Hospital
Homerton Row
London E9 6SR
United Kingdom

Also:

- Lead Clinician in Obstetric Analgesia and Anaesthesia, Homerton Hospital (1994-2016)
- Recognised Teacher of the University of London
- Panelist – GMC Fitness to Practise panels (2006-2014)
- President of the Obstetric Anaesthetists' Association (2008-2011)
- Chairman of the Obstetric Committee, World Federation of Societies of Anaesthesiologists [WFSA] (2008-2016)
- Member of the Healthcare for London Maternity Project Clinical Expert Panel (2008-2010)
- Chairman of the Board of the International Journal of Obstetric Anesthesia (2009-2014)
- Member of the International Relations Committee of the AAGBI (2009-2012)
- Advisory Member of the Safe Anaesthesia Liaison Group [joint NPSA – AAGBI - RCoA committee] (2009-2012)
- Member of the Trial Steering Committee for the NPEU "Birth in Upright Maternal Position with Epidural in Second Stage" (BUMPES) multicentre study [HTA Project: 08/22/02] (2010-2016)

- Member of the International Board of the Royal College of Obstetricians and Gynaecologists (2010-2013)
- Chairman, OAA Selection S/C for Anaesthetic Assessors for the MBRRACE-UK National Maternal Death Enquiry (2012-2014)
- Anaesthetic Assessor for the MBRRACE-UK National Maternal Death Enquiry [previously CMACE] (2010-)

PREVIOUS APPOINTMENTS

Jun 1992 - Sep 1992	Anaesthetist Hospital of the International Committee of the Red Cross Peshawar Pakistan
Jan 1992 - May 1992	Anaesthetic Senior Registrar Royal Surrey County Hospital Guildford
Jul 1991 - Dec 1991	Anaesthetic Senior Registrar Charing Cross Hospital London
Jul 1990 - Jun 1991	Clinical Research Fellow in Obstetrical Anaesthesia Grace Hospital Vancouver Canada
Feb 1990 - Jun 1990	Anaesthetic Senior Registrar Charing Cross Hospital London
Feb 1989 - Jan 1990	Anaesthetic Senior Registrar The Brompton Hospital London
Sep 1988 - Jan 1989	Anaesthetic Senior Registrar Charing Cross Hospital London
Feb 1988 - Aug 1988	Locum Anaesthetic Registrar Charing Cross Hospital London
Nov 1987 - Jan 1988	Anaesthetic Registrar Queen Charlotte's Maternity Hospital London
Jul 1987 - Oct 1987	Anaesthetist - British Surgical Team Hospital of the International Committee Of The Red Cross Peshawar Pakistan
Jan 1987 - Jun 1987	Anaesthetic Registrar The National Hospital for Nervous Diseases London
Aug 1986 - Dec 1986	Anaesthetic Registrar The Royal Marsden Hospital London & Surrey
May 1985 - Jul 1986	Anaesthetic Registrar St Mary's Hospital London

Mar 1985 - Apr 1985	Locum Anaesthetic SHO \ Registrar Whittington Hospital London
Jul 1984 - Dec 1984	Paediatric SHO Baragwanath Hospital Soweto Johannesburg South Africa
Dec 1983 - Jun 1984	Anaesthetic Registrar Baragwanath Hospital Soweto Johannesburg South Africa
Aug 1982 - Oct 1983	Anaesthetic SHO Whittington & University College Hospital London
Feb 1982 - Jul 1982	House Surgeon Bromley Hospital Kent
Aug 1981 - Jan 1982	House Physician Hope Hospital Manchester

Presentations at National and International Meetings

- November 2014: **“Caesarean section in severe pre-eclampsia”** (Lecture)
 “Remifentanyl for labour analgesia” (Lecture)
 “Modern neuraxial analgesia in labour” (Lecture)
 10th Pan Arab Congress of Anesthesia
 Amman, Jordan
- April 2013: **“Pre-eclampsia and the anaesthetist”** (Lecture)
 5th Annual Scientific Symposium in Anaesthesiology & Intensive Care
 Nis, Serbia
- April 2013: **“Resuscitation of the pregnant woman”** (Lecture)
 “The hypertensive parturient” (Lecture)
 5th All-Africa Anaesthesia Congress
 Cairo, Egypt
- October 2012: **President’s Session: “The Role of Professional Organisations in
Accelerating Progress on Health-Related Millennium Development
Goals”** (Panelist)
 World Congress of Obstetricians and Gynaecologists
 Rome, Italy
- September 2012: **“Anaesthesia for the Pre-eclamptic Woman”** (Lecture)
 “CPR in Pregnancy” (Lecture)
 European Society of Regional Anaesthesia (ESRA)
 Bordeaux, France
- March 2012: **Obstetric Anaesthesia Sessions x 3** (Session Chairman)
 World Congress of Anaesthesiologists
 Buenos Aires, Argentina
- November 2011: **“Lessons from the UK Confidential Enquiry into Maternal Deaths
2006-2008”** (Lecture)
 “Keynote Lecture” (Session Chairman)
 OAA Three Day Course in Obstetric Anaesthesia and Analgesia
 Church House, London
- October 2011: **“Pre-eclampsia – what you need to know”** (Lecture)
 “The Problem Parturient” (Session Chairman)
 OAA Refresher Day in Obstetric Anaesthesia and Analgesia
 RCOG London
- September 2011: **“Anaesthetic Aspects of Pre-eclampsia”** (Lecture)
 “What Baby Wants” (Lecture)
 3rd International Anaesthesiology and Intensive Care Conference
 Prisren, Kosovo
- April 2011: **“Clinical Update – JCAHO Alert”** (Session Chairman)
 “Best Paper Presentations” (Judge)
 “PBLD – Breakfast with the Experts” (Facilitator)

- 43rd Society for Obstetric Anesthesia and Perinatology Meeting (3 Days)
Lake Las Vegas, USA
- April 2011: **“What the baby wants from the anaesthetist at C-section”** (Lecture)
“General Anaesthesia – problems and solutions” (Lecture)
Case Based Discussions x 2
Egyptian Anesthesia Conference
Cairo, Egypt
- March 2011: **“Informal QA with a panel of experts”**
Maternal Medicine: Medical Complications of Pregnancy
RCOG, London
- December 2010: **“Update on Maternal Monitoring”** (Lecture)
“Neurology and the Obstetric Patient” (Session Chairman)
The multidisciplinary team approach to care of the obstetric patient
Royal Society of Medicine, London
- November 2010: **“Topical Issues”** (Session Chairman)
OAA Three Day Course in Obstetric Anaesthesia and Analgesia
Church House, London
- October 2010: **“Trauma in Pregnancy”** (Lecture)
“The Obese Parturient” (Lecture)
“Thromboprophylaxis & Regional Anaesthesia” (Lecture)
“What baby wants from the Anaesthetist” (Lecture)
“Hepatic Rupture in Pre-eclampsia” (Case Discussion)
“Fluid Overload in Pre-eclampsia” (Case Discussion)
4th Libyan Anesthesia Conference
Benghazi, Libya
- October 2010: **“Pre-eclampsia – what you need to know”** (Lecture)
“The Critically Ill Parturient” (Session Chairman)
OAA Refresher Day in Obstetric Anaesthesia and Analgesia
RCOG London
- May 2010: **“Lumbar Ultrasound: Useful Gadget or Time Consuming Gimmick?”**
(Pro-Con Debate Moderator)
42nd Society for Obstetric Anesthesia and Perinatology Meeting (3 Days)
San Antonio, USA
- March 2010: **“General Anaesthesia should not be routinely offered for elective
caesarean section”** (Pro-Con Debate Moderator)
Cases and Controversies in Obstetric Anaesthesia
Church House, London
- January 2010: **“What the Baby wants from the Anaesthetist”** (Lecture)
25th International Winter Symposium on topics in Anesthesia and Algology
University of Leuven, Belgium
- November 2009: **“Trauma in Pregnancy”** (Lecture)
OAA Three Day Course in Obstetric Anaesthesia and Analgesia
Church House, London
- October 2009: **“Task Sharing – Challenges and Opportunities”** (Speaker)

- “Role of Health Professional Associations in improving MNH in low-resource settings”** (Speaker)
International Federation of Gynecology and Obstetrics World Congress
Cape Town, RSA
- May 2009: **“Medical Disease in Pregnancy”** (Session Chairman)
OAA Annual Meeting - Obstetric Anaesthesia 2009 (2 Days)
Jersey
- May 2009: **“Minimizing Risks with Neuraxial Techniques”** (Panel Moderator)
Society for Obstetric Anesthesia and Perinatology (3 Days)
Washington, USA
- March 2009: **“Anaesthesia for pregnant mother with pregnancy induced hypertension”** (Lecture)
“Trauma and Pregnant Mother” (Lecture)
25th International Egyptian Conference: Anesthesia
Cairo, Egypt
- March 2009: **“The management of the pregnant trauma victim”** (Lecture)
“How to achieve effective and efficient conversion of epidural analgesia to surgical anaesthesia” (Lecture)
OAA Refresher Course in Obstetric Anaesthesia and Analgesia (2 Days)
Iasi, Romania
- March 2009: **“Women should be free to choose elective caesarean section”**
(Pro-Con Debate Moderator)
Cases and Controversies in Obstetric Anaesthesia
Church House, London
- November 2008: **“The Baby”** (Session Chairman)
OAA Three Day Course in Obstetric Anaesthesia and Analgesia
Church House, London
- May 2008: **“All parturients receiving neuraxial morphine should be monitored with continuous pulse oximetry”** (Pro-Con Debate Moderator)
Society for Obstetric Anesthesia and Perinatology (3 Days)
Chicago, USA
- April 2008: **“Obstetric Anaesthesia in Africa”** (Lecture)
MacDonald Obstetric Medicine Society
Liverpool
- January 2008: **“Working as a doctor with ICRC Red Cross in Africa”** (Lecture)
Wilderness Medicine Society
Bristol
- November 2007: **“Anaesthetic Aspects of Pre-eclampsia”**
“Converting Regional Analgesia to Regional Anaesthesia”
OAA Refresher Day in Obstetric Anaesthesia and Analgesia
Sremska Mitrovice, Serbia
- November 2007: **“The Baby”** (Session Chairman)
OAA Three Day Course in Obstetric Anaesthesia and Analgesia
Church House - London.

- October 2007: **“What to do when the epidural doesn’t work properly”**
“Pre-eclampsia – what you need to know”
 OAA Refresher Day in Obstetric Anaesthesia and Analgesia
 RCOG London
- March 2007: **“Another High Block”**
 OAA Cases and Controversies in Obstetric Anaesthesia
 Institution of Electrical Engineers - London.
- February 2007: **“What is the Best Epidural Solution for Labour?”**
“Obesity and Obstetric Anesthesia”
“Problems of General Anesthesia for Caesarean Section”
 4th International Anesthetic Conference
 Jakarta, Indonesia
- January 2007: **“General Anaesthesia – Challenges and Solutions”**
“What you need to know about Pre-eclampsia”
 Annual Meeting of the Obstetric Interest Group, NISA
 Belfast, N. Ireland
- November 2006: **“Anaesthetic Aspects of Pre-eclampsia”**
“Converting Regional Analgesia to Regional Anaesthesia”
“Epidural Analgesia for Labour: Initiation & Maintenance”
 OAA Refresher Day in Obstetric Anaesthesia and Analgesia
 Dresden, Germany
- November 2006: **“The Baby”** (Session Chairman)
 OAA Three Day Course in Obstetric Anaesthesia and Analgesia
 Institution of Electrical Engineers - London.
- November 2006: **“Regional Anaesthesia and Thromboprophylaxis”**
“Pre-eclampsia and the Anaesthetist”
“Anaesthetic Aspects of Maternal Mortality”
 Annual Obstetric – Anaesthetic Seminar
 Al-Cornishe Hospital, Abu Dhabi, U.A.E
- October 2006: **“Anaesthetic Aspects of Pre-eclampsia”**
“Maternal Mortality”
“What’s the best epidural solution for labour analgesia?”
 1st International Anaesthesiology and Intensive Care Conference
 Pristina, Kosovo
- October 2006: **“General anaesthesia – key issues”**
“Pre-eclampsia – what you need to know”
 OAA Refresher Day on Obstetric Anaesthesia and Analgesia
 Royal College of Physicians, London
- March 2006: **“General Anaesthesia – Problems and Solutions”**
 Obstetric Focus Group, Swedish Anaesthetists’ Association
 Savoy Place, London
- September 2005 **“Obstetric Anaesthesia – Troubleshooting in Labour”** (Lecture)
“Fluid balance in Pre-eclampsia” (PBL Session Facilitator)
 Annual Meeting – AAGBI - Manchester

- June 2005 **“Obstetric Experiences with Red Cross in Africa”**
Case Reports in Obstetrics and Anaesthesia Meeting
RCOG, London
- May 2005: **“General Anaesthesia - Challenges and Solutions”** (Opening Lecture)
Obstetric Anaesthesia 2005 (OAA Annual Meeting)
Barbican Centre, London
- March 2005: **“Anaesthetic Aspects of Pre-eclampsia” (Keynote Lecture)**
5th Annual Albanian Anesthesiologist and Intensivist Conference
Tirana, Albania.
- January 2005: **“CSE is the technique of choice for labour analgesia and C-section”**
(Debate – Con Position)
Anaesthesia for the Obstetric Patient
Catholic University of Leuven, Belgium
- November 2004: **“Amniotic Fluid Embolism” (Lecture)**
OAA “3 Day Course in Obstetric Anaesthesia and Analgesia”
Church House - London.
- October 2004: **“General anaesthesia – key issues” (Lecture)**
“Pre-eclampsia – what you need to know” (Lecture)
OAA Refresher Day on Obstetric Anaesthesia and Analgesia
Royal College of Physicians, London
- May 2004: **“Amniotic Fluid Embolism” (Lecture)**
East Anglian Obstetric Group Annual Meeting
Newmarket
- October 2003: **“Epidural solutions in use” (Lecture)**
“General anaesthesia – key issues” (Lecture)
“Pre-eclampsia – what you need to know” (Lecture)
OAA Refresher Day on Obstetric Anaesthesia and Analgesia
Royal College of Physicians, London
- September 2003: **“Management of post-dural puncture headache” (Lecture)**
West of Scotland Obstetric Anaesthetists Update Day
Stirling, Scotland
- March 2003: **“Severe Pre-eclampsia and Spinal Anesthesia – do they fit?” (Lecture)**
Obstetrical Anesthesia 2003 Meeting
San Francisco, USA.
- March 2003: **“A communication barrier between patient and anaesthetist does NOT**
preclude the use of regional techniques” (Debate)
OAA Meeting – “Controversies in Obstetric Anaesthesia”
Church House - London.
- Nov 2002: **“Pre-eclampsia and the anaesthetist” (Lecture)**
OAA “3 Day Course in Obstetric Anaesthesia and Analgesia”
Church House - London.
- Oct 2002: **“Pre-eclampsia” (Case Report Presentation)**

- Multidisciplinary Problems in Obstetrics
Joint OAA-RCOG Meeting at the RCOG, London
- Sept 2002: **“Post Dural Puncture Headache”** (Lecture)
Refresher Day in Obstetric Anaesthesia and Analgesia
Dublin, Ireland
- June 2002: **“Spinal anaesthesia in pre-eclampsia”** (Lecture)
Regional Obstetric Anaesthetic Meeting
Leuven, Belgium
- April 2002: **“Update on Pre-eclampsia”** (Lecture)
“Lessons from the Confidential Enquiries” (Lecture)
Swedish Anaesthetists Society
Stockholm
- Nov 2001: **“Pre-eclampsia and the anaesthetist”** (Lecture)
OAA “3 Day Course in Obstetric Anaesthesia and Analgesia”
Church House - London.
- Sept 2001: **“Post Dural Puncture Headache”** (Lecture)
“Spinal Anaesthesia in Pre-eclampsia” (Lecture)
30th Annual Congress of Argentinian Anaesthetists
Bariloche, Argentina
- June 2001: **“Refresher Course Lectures”** (Lectures)
For Anaesthetic Clinical Officers
Queen Elizabeth Hospital, Blantyre, Malawi
- Nov 2000: **“Anaesthesia in Pre-eclampsia”** (Lecture)
“The obese pregnant woman as a high-risk patient” (Lecture)
International Meeting on Anaesthesia and Intensive Care
Oporto, Portugal
- Oct 2000: **“CESDI Focus Group - Obstetric Anaesthesia”** (Lecture)
Wessex & Channel Islands CESDI Conference
Salisbury General Hospital
- Sept 2000: **“Pre-Eclampsia and the Anaesthetist”** (Lecture)
“Regional Anaesthesia for Caesarean Section” (Lecture)
7th All Russia Medical Congress in Anaesthesiology, St Petersburg, Russia.
- June 2000: **“Parenteral opioids have a role in labour management in the normal healthy parturient”** (Debate Moderator)
12th World Congress of Anaesthesiologists
Montreal, Canada.
- April 2000: **“Preeclampsia”** (Refresher Course Lecture)
“Poster Review” (Chairman of Poster Session)
European Society of Anesthesiologists
Vienna, Austria.
- March 2000: **“General Anaesthesia for Caesarean section”** (Lecture)
OAA Course - "Refresher Day for Obstetric Anaesthesia & Analgesia"
Oxford.

- March 2000: **“Controversies in Obstetric Anaesthesia”**
Meeting Co-ordinator
OAA Meeting – “Controversies in Obstetric Anaesthesia”
Church House - London.
- Jan 2000: **“Pre-eclampsia Update”** (Lecture)
SpR Post-fellowship Training Day
UCLH - London.
- Dec 1999: **“Pre-eclampsia and the anaesthetist”** (Lecture)
“Epidural and spinal drugs” (Session Chairman)
OAA “3 Day Course in Obstetric Anaesthesia and Analgesia”
Church House - London.
- Oct 1999: **“Spinal Anaesthesia and pre-eclampsia”** (Lecture)
National Scientific Congress, Australian Society of Anaesthetists
Cairns, Australia.
- June 1999: **“Magnesium sulphate in anaesthesia”** (Lecture)
25th Congress of the Scandinavian Society of Anaesthesiologists
Aarhus, Denmark.
- June 1999: **“General Anaesthesia for Caesarean section”** (Lecture)
OAA Course - "Practical management issues in obstetric anaesthesia"
Nottingham.
- May 1999: **Obstetric Anaesthesia** (6 Lectures as WFSA Keynote Speaker)
30th Annual Refresher Course / Scientific Conference
Society of West African Anaesthetists, Lagos, Nigeria.
- March 1999: **“Anaesthetic issues in pre-eclampsia”** (Lecture)
Annual Scientific Symposium - Northern Ireland Society of Anaesthetists
Belfast
- March 1999: **“Heavy bupivacaine has no advantage over plain bupivacaine in spinal anaesthesia for Caesarean section”** (Debate: CON Position)
OAA Meeting – “Controversies in Obstetric Anaesthesia”
Church House - London.
- Nov 1998: **“Pre-eclampsia and the anaesthetist”** (Lecture)
“Good Practice” (Session Chairman)
OAA 3 Day Course in Obstetric Anaesthesia and Analgesia
Church House - London.
- Oct 1998: **“Regional anaesthesia in pre-eclampsia”** (Lecture)
“Epidural mixtures for labour analgesia” (Lecture)
“Amniotic Fluid Embolism” (Lecture)
2nd International Obstetric Analgesia and Anaesthesia Course
Association of Anaesthetists of Buenos Aires, Argentina
- May 1998: **“Spinal anesthesia may be safely used in severely pre-eclamptic patients”**
(Debate: CON Position)
Annual Meeting - Society for Obstetric Anesthesia and Perinatology (SOAP)
Vancouver, B.C. Canada.

- March 1998: **“Epidural rather than spinal anaesthesia should be used for Caesarean section in severe pre-eclampsia”** (Debate Moderator)
OAA Meeting – “Controversies in Obstetric Anaesthesia”
Church House - London.
- Jan 1998: **“General Anaesthesia for Caesarean section”** (Lecture)
OAA Course - "Practical management issues in obstetric anaesthesia"
Royal College of Anaesthetists, London.
- Dec 1997: **"Pre-eclampsia and the anaesthetist"** (Lecture)
OAA 3 Day Course in Obstetric Anaesthesia and Analgesia
Church House - London.
- Sep 1997: **“General Anaesthesia for Caesarean section”** (Lecture)
OAA Course - "Practical management issues in obstetric anaesthesia"
Royal College of Anaesthetists, London
- Sep 1997: **“Epidural mixtures - what is the best solution?”** (Lecture)
“Regional anaesthesia in pre-eclampsia” (Lecture)
European Society of Regional Anaesthesia (ESRA) Annual Meeting, London
- April 1997: **“Administration of unlicensed drugs”** (Interactive Lecture)
Obstetric Anaesthetists’ Association Annual Meeting,
Guildford
- Dec 1996: **"Pre-eclampsia and the anaesthetist"** (Lecture)
3 Day Course in Obstetric Anaesthesia and Analgesia
RCOG - London.
- Nov 1995: **“Complications of anaesthesia for Caesarean section”** (Lecture)
“Caesarean Section” Meeting
RCOG - London.
- Oct 1995: **"Amniotic fluid embolism"** (Lecture)
3 Day Course in Obstetric Anaesthesia and Analgesia
RCOG - London.
- Sep 1995: **“Epidural analgesia and the control of pain in labour”** (Lecture)
RCOG “Pain in Obstetrics and Gynaecology” Meeting
University of Wales, Cardiff.
- May 1995: **"Anaesthesia and fulminating pre-eclampsia"** (Lecture)
Free Paper Session (Session Chairman)
European Society of Anesthesiologists Annual Meeting
Paris, France.
- March 1995: **“Epidural infusions in labour should be abandoned in favour of PCEA”** (Debate Moderator)
OAA Meeting - “Controversies in Obstetric Anaesthesia”
RCOG, London.
- Feb 1995: **"Epidural analgesia for labour and delivery"** (Lecture)
“Winter Week of Anaesthesia” Meeting
Moena, Italy.

- Nov 1994: **"Amniotic fluid embolism"** (Lecture + Sessional Chairman)
Course in Obstetric Anaesthesia and Analgesia
RPMS Institute of Obstetrics and Gynaecology, London University.
- June 1994: **"Epidural PCA in labour"** (Lecture)
Symposium:- The new use of opioids in obstetrics
Royal Society of Medicine, London.
- March 1994: **Obstetric anaesthesia** (6 Lectures as WFSA Keynote Speaker)
Society of Anaesthetists of Nepal
Kathmandu, Nepal.
- Jan 1994: **"Anaesthetic aspects of pre-eclampsia"** (Lecture)
Hypertension in Pregnancy Meeting
RCOG - London.
- Nov 1993: **"Anaesthesia for the pre-eclamptic mother"** (Lecture)
Course in Obstetric Anaesthesia and Analgesia
RPMS Institute of Obstetrics and Gynaecology, University of London.
- Nov 1993: **1. "Epidural analgesia in labour"** (Lecture)
2. "Anaesthesia for the pre-eclamptic patient" (Lecture)
Course in Obstetric Anaesthesia
University Hospital, Odense, Denmark.
- Sep 1993: **"Spinal anaesthesia following acute traumatic amputation of the feet is safe in the absence of sepsis"** (Free paper)
Annual Scientific Meeting
AAGBI, Glasgow.
- April 1993: **"Spinal anaesthesia and acute mine blast injury"** (Lecture)
"Anaesthetic aspects of war surgery" (Lecture)
4th War Surgery Seminar
International Committee of the Red Cross, Geneva, Switzerland.
- March 1993: **"Anaesthetic management of severe pre-eclampsia"** (Lecture)
Workshop: The Management of Pre-Eclampsia
Skejby Sygehus, Aarhus, Denmark.
- March 1993: **"Anaesthetic aspects of pre-eclampsia"** (Lecture)
Anniversary Forum of the Royal College of Anaesthetists
"Obstetric Anaesthesia"
Royal College of Surgeons, London.
- Nov 1992: **"Epidural analgesia and the progress of labour"** (Lecture)
Course in Obstetric Anaesthesia and Analgesia
RPMS Institute of Obstetrics and Gynaecology, University of London.
- Nov 1991: **"Epidural analgesia in labour"** (Lecture)
Course in Obstetric Anaesthesia and Analgesia
RPMS Institute of Obstetrics and Gynaecology, University of London.
- May 1991: **"Butorphanol does not reduce the side-effects of epidural morphine after C-section"** (Poster Presentation)

Annual Meeting - Society for Obstetric Anesthesia and Perinatology (SOAP)
Boston, Mass., USA

- Oct 1990: **"Obstetric anaesthesia for the family physician- anaesthetist"**
7th Annual Obstetrics for Family Physicians
Vancouver, Canada.
- May 1989: **"A comparison of four epidural solutions for
elective Caesarean section"** (Poster Presentation)
Annual Meeting - Society for Obstetric Anesthesia and Perinatology (SOAP)
Madison, Wisconsin, USA.
- Sep 1988: **"An epidural mixture of lignocaine and bupivacaine with
adrenaline for elective Caesarean section"** (oral free paper presentation)
Annual Meeting - Obstetric Anaesthetists' Association
University of Warwick.

Organiser of OAA Postgraduate Educational Courses

Between 2000 and 2006 I was responsible for running the OAA Postgraduate Educational Courses, and during this period I organised twenty meetings providing a total of thirty days of educational content, as follows:

March 2006	Controversies in Obstetric Anaesthesia and Analgesia Institution of Electrical Engineers, London (425 registrants = FULL)
November 2005	Three Day Course on Obstetric Anaesthesia and Analgesia Church House, Westminster (377 registrants)
October 2005	Refresher Day in Obstetric Anaesthesia and Analgesia RCOG, London (117 registrants)
June 2005	Case Reports in Obstetrics and Anaesthesia RCOG, London (203 registrants)
November 2004	Three Day Course on Obstetric Anaesthesia and Analgesia Church House, Westminster (404 registrants)
October 2004	Refresher Day in Obstetric Anaesthesia and Analgesia RCOG, London (208 registrants = FULL)
June 2004	Case Reports in Obstetrics and Anaesthesia RCOG, London (215 registrants = FULL)
March 2004	Controversies in Obstetric Anaesthesia and Analgesia Church House, Westminster (380 registrants)
November 2003	Three Day Course on Obstetric Anaesthesia and Analgesia Church House, Westminster (411 registrants)
October 2003	Refresher Day in Obstetric Anaesthesia and Analgesia Royal College of Physicians, London (145 registrants = FULL)
March 2003	Controversies in Obstetric Anaesthesia and Analgesia Church House, Westminster (452 registrants = FULL)
November 2002	Three Day Course on Obstetric Anaesthesia and Analgesia Church House, Westminster (425 registrants = FULL)
October 2002	Multidisciplinary Problems in Obstetrics Joint OAA-RCOG Meeting at the RCOG, London (230 registrants)
September 2002	Refresher Day in Obstetric Anaesthesia and Analgesia Rotunda Hospital, Dublin, Ireland (108 registrants)
March 2002	Controversies in Obstetric Anaesthesia and Analgesia Church House, Westminster (425 registrants = FULL)
November 2001	Three Day Course on Obstetric Anaesthesia and Analgesia Church House, Westminster (375 registrants)

- October 2001 **Dilemmas in High Risk Obstetric Anaesthesia**
Royal College of Surgeons, London (280 registrants = FULL)
- October 2001 **Refresher Day in Obstetric Anaesthesia and Analgesia**
The Watershed, Bristol (70 registrants)
- March 2001 **Controversies in Obstetric Anaesthesia and Analgesia**
Church House, Westminster (425 registrants = FULL)
- March 2000 **Controversies in Obstetric Anaesthesia and Analgesia**
Church House, Westminster (425 registrants = FULL)

PUBLICATIONS: BOOK CHAPTERS:

Wantman A, Hancox N, Howell P.

A national survey of techniques used by OAA members for detecting the epidural space.

Published: Anaesthesia, 2006; 61: 370-5.

Melachuri K, Leschinsky D, Howell P.

Maternal pain relief and satisfaction after LSCS following a change in analgesia regimen.

Local presentation – Homerton, July 2003.

Klein AA, Christelis ND, Howell PR

Is post-anaesthesia handover up to standard?

Poster presentation at 10th ESA Anniversary Meeting in Nice, April 2002

Abstract published as: Eur J Anaesthesiology, 2002; 19; Suppl 24: 15-16.

Howell PR, Griffiths R, Murphy TWG.

Factors affecting the speed of attainment of maternal comfort in obstetric epidural analgesia

Poster presentation at 10th ESA Anniversary Meeting in Nice, April 2002

Abstract published as: Eur J Anaesthesiology, 2002; 19; Suppl 24: 145-6.

Harrad J, Taylor C, Ward M, Howell P.

Anaesthetic implications of induction of labour – a one year retrospective audit at Homerton Hospital.

Poster presentation at Annual SOAP Meeting in Montreal, May 2000.

Guerin D, Howell P, Coakley J.

Obstetric admissions to an intensive therapy unit

Poster presentation at Annual SOAP Meeting in Montreal, May 2000.

Wantman A, Sheppey C, Jones M, Howell P.

Effect of anaesthetic technique on fetal welfare following delivery by Caesarean section.

Oral presentation at European Society of Obstetric Anaesthesia Meeting, Dublin, October 1999.

CASE REPORTS:

Tallach R, Ngonzi J, Kiwanuka J, Ttendo T, Walker I, Howell P..
Needs Assessment to achieve Millenium Development Goal 5 (Poster Presentation)
World Congress of Anaesthesiologists, Buenos Aires, Argentina 2012

Sharawi N, Natarajan P, Howell P.
Maternal collapse following epidural top-up (Poster Presentation)
Society for Obstetric Anesthesia and Perinatology (SOAP) Annual Meeting
Lake Las Vegas, USA, 2011

Kakkar G, Howell P, Campbell L et al.
Undiagnosed phaeochromocytoma presenting as cardiac failure in pregnancy (Poster)
World Congress of Anaesthesiologists, Cape Town, 2008

EXTRA-CURRICULAR PROFESSIONAL ACTIVITIES:

- President of the Obstetric Anaesthetists' Association (2008 - 2011)
- Panellist for the Fitness to Practice Panel of the General Medical Council (2006-2014)
- Chairman of the Obstetric Committee of the World Federation of Societies of Anaesthesiologists (WFSA) from 2008 to 2016
- Reviewer of papers for the International Journal of Obstetric Anesthesia and the European Journal of Anaesthesiology
- Medico-legal expert witness (50:50 for Claimant:Defence)
- Member of the Healthcare for London: Maternity Project Clinical Expert Panel (2008-2010)
- Chairman of the Board of the International Journal of Obstetric Anesthesia (2009-2014)
- Advisory Member of the Safe Anaesthesia Liaison Group [joint NPSA – RCoA – AAGBI project] (2009-2012)
- Member of the Trial Steering Committee for the NPEU "Birth in Upright Maternal Position with Epidural in Second Stage" (BUMPES) multicentre study [HTA Project: 08/22/02] (2010-2016)
- Member of the International Board of the RCOG (2010-2013)
- Anaesthetic Assessor for the MBRRACE-UK national Maternal Death Enquiry (2010-)
- Co-opted Committee member of the Obstetric Anaesthetists' Association (OAA) responsible for organising 20 postgraduate meetings between 2000 and 2006
- Examiner at MBBS Final OSCE at St Bartholomew's Hospital (1998-)
- Examiner at PLAB OSCE (GMC) 1998-2005 (designated GMC Associate)
- Educational Supervisor for two trainees at Barts Health NHS Trust (2010-)
- Examiner of MD thesis for the University of London (x 1)
- Chairman: Homerton Blood Transfusion Committee (2003-2008)
- RCoA College Tutor, Homerton Hospital (1996-2002)
- Consultant Appraiser for Barts Health NHS Trust (2012-)

GMC FITNESS TO PRACTISE (FTP) HEARINGS:

Since being appointed as a GMC FTP panellist in 2006 I have sat on 34 hearings:

Date:	Doctor:	Case:	Outcome:	Sanction:
July 2006	Dr Brownbill	Review	Adjournment	Suspension ⁶ / ₁₂
July 2006	Dr Matin	Review	Impaired	Erasure
Aug 2006	Dr Haque	Review	Not impaired	
Sept 2006	Dr Noon	Review	Impaired	Conditions 3 years
Nov 2006	Dr Nasser	Review	Not impaired	
April 2007	Dr Swanney	Conduct	Impaired	Conditions 1 year
May 2007	Dr Faruhar	Conduct	Impaired	Erasure
Dec 2007	Dr Alui	Performance	Impaired	Conditions 1 year
Feb 2008	Dr Campbell	Review	Not Impaired	
Feb 2008	Dr Tzanne	Review	Impaired	Conditions 3 years
April 2008	Dr Mittage	Conduct	Not Impaired	Warning
April 2008	Dr Milroy	Review	Impaired	Conditions 1 year
July 2008	Dr Chari	Conduct	Not Impaired	
July 2008	Dr Kumar	Conduct	Not Impaired	
Jan 2009	Dr Mahmood	Conduct	Impaired	Suspension ³ / ₁₂
March 2009	Dr Nunley	Conduct	Impaired	Erasure
July 2009	Dr Kennedy	Conduct	Not Impaired	Warning
Oct 2009	Dr Felthouse	Conduct	Impaired	Conditions ⁶ / ₁₂
Oct 2009	Dr El-Masry	Conduct	Impaired	Suspension 1 year
Jan 2010	Dr Khan	Conduct	Impaired	Erasure
Apr 2010	Dr Ayyub	Conduct	Impaired	Suspension ³ / ₁₂
Apr 2010	Dr Graham	Health	Impaired	Conditions 3 years
Jun 2011	Dr Al-Bazii	Conduct	Impaired	Suspension 1 year
Jun 2011	Dr Niranjan	Performance	Impaired	Conditions ¹⁸ / ₁₂
Dec 2011	Dr Onoja	Health	Impaired	Conditions 1 year
Dec 2011	Dr Macklin	Health	Not Impaired	
June 2012	Dr Perrotta	Health	Impaired	Suspension 1 year
June 2012	Dr Khan	Reinstatement		Postponed
July 2012	Dr Lakeman	Performance	Impaired	Erasure
June 2013	Dr Korashi	Health	Impaired	Suspension 1 year
June 2013	Dr Lever	Health	Impaired	Suspension 1 year
Nov 2013	Dr Majeed	Conduct	Not Impaired	
Nov 2013	Dr Van Saene	Health	Impaired	Conditions 1 year
Feb 2014	Dr Harriott	Health	Impaired	Conditions 2 years
