Present Appointment:

Director and sole examiner of Medico-legal reporting company.

Medicolegal practice.

Developed over the last twenty years I have acquired an extensive knowledge of the assessment and provision of Medico-legal reports in the field of Traumatic Orthopaedics (sub-specialising in Whiplash and its consequences) both in respect of claimant and defendant reports, as well as being requested by both parties jointly. I am experienced in the provision of reports for the Courts and for Employment Tribunals. I have been accepted as an Expert witness in this field in courts across the Midlands. I am experienced in the provision of reports in Low Velocity Impact cases. I also have experience in the interacting effects of multiple injuries.

This practice now comprises over nineteen thousand reports compiled for a large number of solicitors and insurance companies both within the West Midlands and outside (including international).

Areas covered: Spine injury (including WAD and low back pain); shoulder, elbow, wrist, and other upper limb; knee, ankle and other lower limb, soft tissue injury, fractures

Cardiff University Expert Witness Certificate.

Proportion of reports until recently claimant 80%, defendant 15%, joint 5%.

Reports completed 2014 - 800.

Register of Expert witnesses 1996 to date.

Member of Oxford Medico-legal Society.

Regular attendee Medico-legal Training Services study days.

Trained and experienced with regard to the Woolf procedure. Wide experience in compliance with orders of the Court regarding Medical Evidence in Personal Injury cases.
