## **Dr Emma Ferriman**

### **Curriculum Vitae February 2015**

#### **Qualifications, training, accreditation**

Subspecialty Training in Fetal and Maternal Medicine 2001; Joint diploma of Obstetric ultrasound, Royal College of Obstetricians and Gynaecologists 1998; FRCOG 2008, MRCOG 1995, MBChB University of Liverpool 1990.

#### **Past and present positions**

Present positions: Consultant Obstetrician and Feto-Maternal Medicine Specialist, Leeds General Infirmary (2001 to present)

Consultant Obstetrician and Feto-Maternal Medicine Specialist, The Royal Hallamshire Hospital, Jessop Wing, Sheffield (2013 to present)

Consultant Obstetrician and Feto-Maternal Medicines Specialist, Thisismy Heath and Screening, Leeds, (2003 to present)

### **Principal professional specialisms**

I specialise in all aspects of high risk Obstetrics including antenatal and intrapartum care. My particular areas of expertise include Multiple Pregnancy and birth injury. In addition I am an expert in prenatal diagnosis, ultrasound screening and fetal anomaly scanning.

### **Awards, accolades and other professional responsibilities**

I established the first specialist Multiple Pregnancy clinic in Yorkshire at Leeds General Infirmary. I am a course Director for the Management of Obstetric Emergencies and trauma (MOET) in Leeds. I am a member of the faculty in Sheffield for the training of upright vaginal breech delivery, training both doctors and Midwives and promoting vaginal birth for breech presentation.

### **Membership of professional organisations**

I am a member of the British Maternal and Fetal Medicine Society (BMFMS) since 1998 and a Fellow of The Royal College of Obstetricians and Gynaecologists since 2008. Member of British Association of Perinatal Medicine (BAPM)

## **Research publications**

I have twenty-five presentations in Obstetrics and Feto-Maternal Medicine and thirteen publications including two invited reviews on Multiple Pregnancy. I have published in the British Journal of Obstetrics and Gynaecology, Prenatal diagnosis, and the Journal of Obstetrics, Gynaecology and Reproductive Medicine. I am an experienced collaborator in multi-centered trials such as Meriden and Rapid.

## **Training, qualifications and accreditation as an expert witness**

I have attended the Medico-legal expert training course in March 2010 as well as the Medico-legal expert advance training in writing reports in Clinical Negligence 2012 run by Specialistinfo.com. In addition I have completed the Bond Solon, Excellence in Written evidence, February 2013. I have submitted an application to The Academy of Experts as an associate member 2015.
