

Summarised C.V. 16th February, 2017

- 1.1 I was the Principal Toxicologist for the North Glasgow University Hospitals Biochemistry Department, a part of NHS Greater Glasgow and Clyde Health Board. I was based at the Drugs and Toxicology Unit, Biochemistry Department, Gartnavel General Hospital, Glasgow. This involved directing the analytical and clinical activities of the Toxicology Unit of the Biochemistry Department for all areas served by North Glasgow Biochemistry. The Unit was effectively covering all points West of a line from Raigmore Hospital (Inverness) to Dumfries. My clinical interest included acute poisoning - either accidental or deliberate, misuse of drugs and/or alcohol, and monitoring of drugs used therapeutically. I was also required to provide a diagnostic and advisory service in general adult clinical biochemistry. I retired from this post in March 2011
- 1.2 I am an Honorary Senior Lecturer in the School of Medicine (Cardiovascular and Metabolic Medicine), University of Glasgow. I am employed there as a validated Facilitator in teaching undergraduate medicine and am an occasional lecturer in the Department of Forensic Medicine and Science. I am a registered expert witness in Toxicology with the Law Society of Scotland.
- 1.3 I am an occasional consultant for the Forensic Institute, Glasgow. I am an occasional consultant for the Glasgow Expert Witness Services, Glasgow.
- 1.4 I am a reviewer for the learned journal Medicine, Science and the Law. I am an editor on the editorial board of Medicrave On Line Journal of Toxicology.
- 1.5 I am involved in a project examining monitoring of alcohol in sweat. This project is collaborative with various clinical and academic units and the Violence Reduction Unit, Police Scotland (Glasgow).
- 1.6 I am a Bachelor of Science with Honours in Biochemistry, a Chartered Chemist, a Chartered Scientist, a Fellow of the Royal Society of Chemistry, an Associate of the Royal College of Pathologists and a Member of the Institute of Occupational Safety and Health. I am a European Specialist in Laboratory Medicine (Specialised in Toxicology and Clinical Chemistry)
- 1.7 I have published extensively in the medical literature and have been involved in major toxicology projects as part of teams working for the Chief Scientist's Office (Scotland).
- 1.8 **Registration for Practice:** I am certified and registered as a European Specialist in Laboratory Medicine by the European Communities Confederation of Clinical Chemistry and Laboratory Medicine (EC4). (Registration number 259/00) I am a registered Clinical Scientist with the Health Care Professions' Council (Registration number CS01266).
