

**Gurminder Mann
BMed Sci, BM BS, FRCS (Urol)**

Curriculum Vitae (short)

MAY 2020

PERSONAL DETAILS

Name	Gurminder Singh Mann
Address	The Willows Main Street Bleasby Nottinghamshire NG14 7GH
Telephone	Home 01636 831303
E-mail	gurminder.mann@nuh.nhs.uk
Date of Birth	30th April 1968
Place of Birth	Birmingham, England
GMC No.	3275852

EDUCATION

1979 - 1986	King Edward VI Five Ways School, Birmingham
1986 - 1991	University of Nottingham Medical School

QUALIFICATIONS

1989	B Med Sci Class II: i (Nottingham)
1991	BM BS (Nottingham)
1995	FRCS (Eng)
2003	Diploma Laparoscopic Urological Surgery (Louis Pasteur University, Strasbourg)
2004	FRCS (Urol)

PRESENT APPOINTMENT

November 2004	Consultant Urological and Laparoscopic Surgeon Nottingham University Hospitals NHS Trust
---------------	---

2007-2010	Urology Cancer Lead Clinician Nottingham University Hospitals NHS Trust
2008-2011	Foundation Year 1 Training Programme Director City Campus Nottingham University Hospitals NHS Trust
2012-2014	British Association Urological Surgeons Regional Rep East Midlands Region
2013-present	Clinical Programme Director Nottingham University Medical School
2017 – current	Specialist Advisory Committee in Urology Liaison Representative West Midlands
2019-current	Head of Service Urology Nottingham University Hospitals NHS Trust

MEDICO-LEGAL EXPERIENCE

I have regularly prepared medicolegal reports for a variety of cases across the spectrum of urology for the Plaintiff and the Defendant. Many of these reports have required direct input for preparatory purposes and I have performed numerous case conferences to assist legal teams.

RESEARCH & PUBLICATIONS

Prolapsing polyp and disappearing pseudocyst
Mann GS, Lobo DN, Rowlands BJ
J R Soc Med 2003; 96(10):499-500

The role of M2 and M3 muscarinic receptors in the intracellular calcium responses of cultured human detrusor smooth muscle
Mann G.S., Abdul-Hamid A.K. *et al*
BJUI 2001; 88 (S1) 70

Long-term results of ileal ureteric substitution
G.S. Mann and D.R. Harriss
BJUI 2001; 88 (S1) 74

Intracellular Ca²⁺ responses to carbachol in human cultured detrusor smooth muscle cells: evidence for an involvement of both M₂ and M₃ muscarinic receptors.
Cousins I.D., Abdul-Hamid M.A, Mann G.S. *et al*

Characterisation of the Ca²⁺ Responses of Cultured Human Detrusor Smooth Muscle

Mann GS, Hill SJ *et al*

Neurourol & Urodyn 1998; 17(4) 331-332

Desensitisation of Muscarinic M₃- and Histamine H₁-receptor Mediated Calcium Responses in Human Detrusor Smooth Muscle

Chua CB, Mann GS *et al*

BJUrol 1998; 82 158-159

Activators and Inhibitors of Renin in Placenta

Mann GS and Craven DJ

B.Med.Sci., Class II:i

Nottingham University, 1989

MULTIMEDIA PUBLICATIONS (CD-ROM)

Urodynamics – A multimedia primer

Henley MJ, Mann GS, Rose DH *et al*

Winner BMA Book of the Year Award 2000, Electronic Media

PRESENTATIONS TO SOCIETIES

Laparoscopic Totally Extraperitoneal Hernia Repair at a NICE Price

Hammond J, Mann G, Brooks A & Beckingham I

Presented at Assoc. of Surgeons of Great Britain & Ireland

Manchester, 2003

Polycystic Liver (Renal) Disease

Mann G

Presented at Midlands HPB Meeting

Nottingham, 2003

An Audit of Partial Nephrectomy

Mann G and Bishop M

Presented at Trent Urology Group, 2003

A role for muscarinic M₂ and M₃ receptors in the intracellular Ca²⁺ response in cultured human detrusor smooth muscle cells.

Mann GS, Abdul-Hamid M.A. *et al*

IUGA, Australia, 2001

Ileal Ureteric Replacement

Mann G

Presented at Trent Urology Group, 2000

Intracellular Calcium Responses in Cultured Human Detrusor Smooth Muscle: Preliminary Evidence of Receptor Interaction

Mann GS, Hill SJ *et al*

Presented at Urological Research Society, London, 2000

Characterisation of the Ca²⁺ Responses of Cultured Human Detrusor Smooth Muscle

Mann GS, Hill SJ *et al*

Presented at 28th Annual Meeting International Continence Society
Jerusalem, Israel, 1998

Predicting PSA with Greater Confidence

Mann GS, Ahmed M, Chilton CP, Munson KW

Presented at Annual Meeting

British Association of Urological Surgeons, Brighton, 1995

BPH Treated by Transrectal Thermotherapy

Chilton CP, Mann GS, et al

Presented at 48th Annual Scientific Meeting

Urological Society of Australasia, Auckland, New Zealand, 1995

Refining PSA Reference Ranges: Advice to GPs

Trent Urology Group, 1995

Case Presentation of Urinary Incontinence due to an Ectopic Ureter

Derby Medical Society, 1994
