

At Grosvenor Medical we pride ourselves upon the exceptional expert services we provide. We are fully dedicated to providing extraordinary client care and leading medical expert services. We are honoured to be recognised by the Association of Personal Injury Lawyers (APIL) as First Tier Experts.

We are equally as honoured to be regularly instructed on major complex multi-track cases and group class actions by the countries most respected legal minds, eminent law firms and leading Counsel.

We are privileged to have formed an extensive panel of national associate experts to include some of the countries most respected and eminent consultants and professors nationally and internationally recognised as experts allowing our group to cover each and every area and subspecialty of clinical discipline.

Beyond our expert witness reporting services Grosvenor Medical provides a complete spectrum of rehabilitation and diagnostic services nationally with over 98 dedicated sites nationally providing diagnostics such as Arthrogram, CT, MRI, Ultrasound, and X-Ray for example.

Areas of specialty covered includes however not limited to:

Trauma & Orthopaedics, General Practice (GP), Psychiatry, Accident & Emergency Medicine, Plastic & Reconstructive Surgery, Hand Surgery, General Surgery, Gastroenterology, Neurosurgery, Neurology, Spinal Surgery, General Internal Medicine, Nursing, Paediatric Surgery, Urology, Physiotherapy, Psychology, Pain Management, Intensive Care Medicine, Dentistry, Oral & Maxillofacial Surgery, Anaesthetics, Cardiology, Cardiothoracic Surgery, Forensic Medicine, Forensic Pathology / Autopsy, Pathology, Toxicology, Gynaecology, Obstetrics, Haematology, Oncology, Nephrology / Renal Medicine, Tissue Viability, Dermatology, Vascular Medicine, ENT / Otolaryngology, Allergy & Immunology, Ophthalmology, Endocrinology, Rheumatology, Radiology, Microbiology / Infectious Disease / Virology, Genitouniary Medicine, Respiratory Medicine & Stroke Medicine.

We provided bespoke reports for use in a variety of litigation including Criminal Law, Personal Injury, Employers Liability, Industrial Disease, Clinical Negligence, Public Liability, Product Liability and Family Law. We also provide evidence to a number of Courts including the Court of Protection, Tribunals, Coroners Inquests, the Higher Courts and International Courts.

Please contact us to discuss your requirements and our dedicated team will be able to advise you further.
