Experience

Owner

Voc Rehab UK & Income Protection Services. 2014-present

Established in 2014, these companies are now leading providers of professional vocational services to some of the largest names in personal injury and insurance in the UK. Our companies work with people with a wide variety of physical, cognitive and psychological deficits.

For our customers, we provide clarity about their clients and claimants' function, capacity for work, occupations and earnings potential.

For the clients, we help to identify vocational opportunities, aiming to improve their quality of life.
