Medico-Legal Practice.

I have been actively involved in all aspects of Medico-Legal work during the past 25 years as a Consultant Oral & Maxillofacial Surgeon. On average I prepare approximately 112 Reports a year, I also provide Reports, advice and support to Claimants involved in Medical Negligence cases. I have attended

training courses organised by Bond Solon and I actively maintain my CPD in this field. In November 2018, I attended the Annual Premex Conference in Birmingham. In February 2020 I attended an Update Course Organised by APIL.(Association of personal Injury Lawyers) and Irwin Mitchell.

Terms and Conditions for Medico-Legal Work – T J Malins

Reports and qualifying work and conferences with Counsel will be based on an hourly rate of £200

Attendance at court as an expert witness will be on the basis of £600 per half day or £1200 per full day

Travelling time will be charged at an hourly rate of £85, in addition to accommodation and subsistence costs

Travel Costs

If a court appearance is cancelled or rescheduled at less than 72 hours' notice, I will levy a cancellation charge of 50% of the attendance fee

Average time from receipt of letter of instruction to date for examination of client 14 days

Average time for preparation of report, subject to availability of relevant notes/x-rays etc approximately 21 days

In general the Cost of a report varies between £495-£850 dependant on complexity and time required for report preparation

Approximately 80% of work undertaken for Claimants.
