Past President of the General Council & Register of Naturopaths.

Past President International Federation Practitioners of Natural Therapeutics

I have over forty years experience in the treatment of patients involved in road traffic accidents and the acceleration injuries that thus incurred. My work in occupational health has increased my knowledge base with respect to the injuries that might be incurred in manual handling and using warehouse equipment.

I am the Treasurer of the Watling Street Business Association and have been since its formation in 2008.

I am involved in the Thanet & District Reform Synagogue, where I have been a member, since its inception and was editor of the Synagogue magazine between 1988 and 2001.

I hold a Private Pilot's Licence and currently am Treasurer of the Clipgate Flying Group, which owns and flies a light aircraft.
