

# **Dr Philip Barber**

## **SHORT CV**

I am Consultant Respiratory Physician to the Manchester University Foundation Trust, and honorary consultant to the Yorkshire Laser Centre. I am a respiratory expert advisor to the NICE Centre for Clinical Practice. I am a member of the UK register of expert witnesses. I have three decades of experience in preparing medico-legal reports on behalf of both plaintiffs' and defendants' solicitors, and receive a substantial number of instructions as a Single Joint Expert. I have given evidence in the civil and criminal justice systems on many occasions, in all parts of the UK and in Ireland. I am a nominated medical referee for legal firms seeking accreditation and citation. I have published extensively on many aspects of respiratory medicine, and am co-author of a number of national guidelines. I have published scientific papers in almost every year of the last four decades.
