Additional professional activities

Professional memberships

1977 – 1989: Lecturer in Osteopathy and Clinical Methods at the British College of Naturopathy & Osteopathy, London.

1987 – 1993: Senior Lecturer in Osteopathy at the International

College of Osteopathy and Alternative Therapies, Paris.
 1998 & 1999: Osteopath with the British OK Sailing Team in Australia & Germany.
 I have taken the appropriate courses from Bond-Solon regarding single joint expert witnesses.
 I have written and presented Medico-Legal reports since 1982.
 I have appeared in Crown Court and at various tribunals for both prosecution and defence.
 Member of UK Register of Expert Witnesses

Additional Information	Past President of the General Council & Register of Naturopaths.
-------------------------------	--

Past President International Federation Practitioners of Natural Therapeutics.

Prior to my retirement from active practice, I was a Registered Osteopath, being registered with the General Osteopathic Council. Although I retired from active osteopathic practice at the end of March 2022, I remain up to date with osteopathic regulations

I was also registered with the General Council and Register of Naturopaths.

I have over fifty years' experience in the treatment of patients involved in road traffic accidents and the acceleration injuries that thus incurred. My work in occupational health has increased my knowledge base with respect to the injuries that might be incurred in manual handling and using warehouse equipment.

I was the Treasurer of the Watling Street Business Association from its formation in 2008 until 2016.
 Member of HealthWatch UK

I am a lay reader at The Thanet & District Reform Synagogue, where I have been a member, since its inception and was editor of the Synagogue magazine between 1988 and 2001.

I am a volunteer member of the Whitstable Community Museum and am the projects co-ordinator.
 I held a Private Pilots Licence for thirty years and was the Treasurer of the

Clippgate Flying Group, which owned and managed light aircraft.
