A very successful Vascular Surgeon, experienced in the UK, Europe and globally. Recognised internationally, currently based in the West Midlands with a number of notable achievements, including winning the right to stage the 2013 ESVS Annual Meeting.

Would like to put my vast clinical experience to good use in the medico-legal environment or seeking an appropriately empowered autonomous role where I can apply my skills, experience and achievements innovatively to the benefit of the organisation and the realisation of corporate objectives

KEY SKILLS & ACHIEVEMENTS

Strategy

- Responsible for the budget of a regional Vascular Unit in 2005-06. This required close interaction between Clinicians and the Hospital Leadership.
- I am very keen on teaching, and beside my teaching experience, I am a member of the Examining Committee for the European Board of Vascular Surgery (EBVS - previously EBSQ-Vasc) Examination, which requires my regular attendance every year there since 2004.

Business Development

- Responsible for the development of peripheral endovascular work in theatre setting 2005-06.
- Set up and ran the East Hungarian Breast Cancer Foundation between 1992-96
- Appointed as Head of University Department of Vascular Surgery at the University of Debrecen, Hungary in 2005, with professional, teaching, research and managerial responsibilities

Operations

- As Head of Department at the Department of Vascular Surgery, University of Debrecen, Hungary in 2005-06, I was responsible for organizing the day-to-day run of the unit and for the under – and postgraduate curriculum in Vascular Surgery. I was part of the team of 5 Consultants, based in a 25-bed Vascular Unit.

- Duties and responsibilities similar to those of a UK Consultant Vascular Surgeon
- Day-to-day patient care, operating lists, specialized clinics (arterial and venous), under- and postgraduate teaching.

Networking

- Member of the European Society for Vascular and Endovascular Surgery from 2000
- Fellow of the European Board of Vascular Surgery from 2003
- Member of the UEMS- European Board of Surgical Qualifications / Examination Board in Vascular Surgery from 2004
- Chaired sessions in various national and international surgical meetings.
- Extensively networked into leading European and overseas institutions (Denmark, Sweden, Spain, Holland, USA, Australia). I am keen to visit Academic centres, and in 2004 I spent some time at Yale University, New Haven, CT, USA, as Visiting Professor.
- Won the right in 2007 to stage the European Society for Vascular Surgery Annual Meeting in 2013
- Part of the Team setting up the Staffordshire-South Cheshire Aortic Aneurysm Screening Programme
