- 1.1 Professor Quraishi’s fee for personal injury and clinical negligence cases are dependent upon the amount of work required, as well as the complexity of the case and the volume of medical records to be reviewed, and is calculated using an **in-house costing tool**, on a case-by-case basis in line with Professor Quraishi’s hourly rate, prior to any work being commenced and ideally once all necessary documentation has been provided.
- 1.2 Only once fee approval has been confirmed by you, will we proceed to commence work on the case.
- 1.3 If any travel is required outside of Nottingham, then all travel expenses will be charged for and included on the invoice.
- 1.4 If a report is required faster than the estimated time given below, then an additional fee may be charged. However, a fee note will be provided to confirm the cost beforehand.
- 1.5 If your claimant cancels an assessment appointment, giving less than 3 clear working days’ notice or fails to attend (DNA), a cancellation fee of **£250/+travel costs** will be imposed. Following a second failed attendance, Professor Quraishi reserves the right to not make any further appointments and a further fee of **£250/+travel costs** will be imposed upon the commissioning firm.
- 1.6 If an addendum report is required following the initial report, a separate invoice will be supplied with a fee calculation based on the time taken to complete the additional work.
- 1.7 The commissioning firm must make payments within **30 days** of receipt of the invoice. An invoice will be attached to the complete report with the payment details. If an addendum report is requested outside of the 30-day invoice period, addendum responses may be withheld until the initial report invoice has been paid. **If payment has still not been made beyond 90 days (from the date of invoice and without prior agreement), the commissioning firm will incur a monthly interest rate charge of 5% (of the outstanding fee).**

- 1.8 In the event of a court appearance being required, the fee will be at the rate of **£1,600 per half day or part thereof** and will be charged even if Professor Quraishi only has to appear for half a day or not at all. In addition to this, travelling expenses and other incurred expenses will be charged.

A formal request for a court appearance and any request requiring confirmation of availability or the setting aside of dates in the diary, will be required with at least ten weeks' notice. **Cancellation within eight weeks of a Court attendance date will result in an invoice of 25% of the fee, 50% payable within four weeks, 75% payable within two weeks and 100% payable within one week.**
- 1.10 The firm (agent/solicitor) commissioning the report must take full and total responsibility for the fee. Payment of the fee is not to be dependent upon a satisfactory outcome with regard to Legal Aid support.
- 1.11 Court fees are payable within 7 days of the invoice.
