Introduction

I have been a dentist since 2003 and I work both in the NHS and in private practice. I also currently work in a mix of a hospital, specialist practice and general dental practice.

I have been working as an expert witness since 2015 and I have a Masters' degree in Law (LL.M). I undertake 50 - 60 reports per year in Personal Injury and Clinical Negligence with 80% of my reports provided for Claimants.

I undertake CPR and non-CPR compliant reports for Breach of duty & Causation as well as examinations and Condition & Prognosis reports. I have not been required to provide evidence in Court.
