

Dr Benjamin Emmanuel Schreiber

MB BS MA (clin ed) MD (res) FRCP

Consultant Rheumatologist

Honorary Associate Professor, UCL

Nov 2023

Contact Details

Current appointment: **Consultant in Pulmonary Hypertension and Rheumatology**
Royal Free London NHS Foundation Trust
Honorary Associate Professor, University College London
Internal Medical Training Programme Director

Correspondence address: Wellington Diagnostics Centre, 296 Golders Green Road, London NW11 9PY
This is the venue for medicolegal consultations

Telephone: 020 8458 6775
E-mail: benji@benjischreiber.com
Website: www.benjischreiber.com
GMC number: 4742768

Medicolegal experience

I commenced medicolegal work in 2014 and have completed the Cardiff University Law School Bond Solon Expert Witness Certificate. I have completed over 300 reports covering a variety of cases within my areas of expertise including personal injury and clinical negligence as well as doing reports for employment tribunals, family courts and the criminal courts. Cases have involved everything from whiplash and personal injury, military cases, work-based injuries, and a full range of rheumatic conditions and pulmonary hypertension. I have also been cross examined in court on my evidence.

Qualifications & Awards

MB BS	University of London (UCL) with merit and prize in surgery	2000
MRCP	Royal College of Physicians (London)	2004
CCST	Rheumatology and General (Internal) Medicine	2009
GCP	Good Clinical Practice Training	2010
MA	Clinical Education, Institute of Education	2011
BSR	Young Investigator Award	2011
MD (res)	University College London	2013
FRCP	Fellow of the Royal College of Physicians (London)	2015

Medicolegal Training

Cardiff University Law School Medico-Legal Foundation Certificate completed January 2015
