ADNAN SHARIF MD FRCP (Edin) MBChB

Curriculum Vitae

Department of Nephrology and Transplantation, Queen Elizabeth Hospital, Birmingham, B15 2WB, UK

Email – adnan.sharif@uhb.nhs.uk, Twitter – AdnanSharif1979

RESEARCH INTERESTS

Current research projects include:

- Clinical trials (as Chief Investigator):
 - Comparing Glycaemic Benefits of Active Versus Passive Lifestyle Intervention in Kidney Allograft Recipients (CAVIAR) - NCT02233491
 - AGE-adapted benefits of Envarsus versus twice-daily tacrolimus Immunosuppression druGs after kidney transplantation (AGEING) - NCT03005236
 - Frailty Intervention Trial in End-Stage Patients on Dialysis (FITNESS) - NCT03071107
- Observational cohort studies (as Chief Investigator):
 - Epidemiology of Cancer After Solid Organ Transplantation (EpCOT) - NCT02991105

GRANT AWARDS

2020

- Kildare Trust (£325,000) – kidney transplant research portfolio (unrestricted grant funding)

2019

- Wellcome Trust Institutional Strategic Support Fund: Digital Health Stream (£33,926.40) – Chief Investigator for ‘Epidemiology of cancer after solid organ transplantation (EpCOT)’

2017

- QEHB Charity (£69,000) – Chief Investigator for ‘Frailty Intervention Trial in End-Stage Patients on Dialysis (FITNESS)’
- Chiesi Pharmaceuticals (£200,000) – Chief Investigator for ‘AGE-adapted benefits of Envarsus versus twice-daily tacrolimus Immunosuppression druGs after kidney transplantation (AGEING) – a feasibility study’
- EFSD European Diabetes Research Programme in Patient Education (€200,000) – Chief Investigator for ‘A randomised controlled trial comparing glycaemic benefits of active versus passive lifestyle intervention in kidney allograft recipients (CAVIAR)’

PUBLICATIONS

166 peer-reviewed publications, 3 book chapters

PRESENTATIONS

22 invited lectures in last three years

CLINICAL EXPERIENCE

Consultant Nephrologist

Queen Elizabeth Hospital, Birmingham

October 2011 – present

Honorary Reader

Institute of Immunology and Immunotherapy, University of Birmingham

November 2019 - present

October 2022

MEDICO-LEGAL PRACTICE

- Member of Expert Witness since 2018 providing causation/condition/prognosis reports
- Claimant/Defendant ratio 60/40
- Expert speaker on nephrology for Essential Medicine for Lawyers conference since 2020

PRE/POSTGRADUATE QUALIFICATIONS

Bachelor of Medicine, Bachelor of Surgery (MBChB) 1997 – 2002
University of Edinburgh Medical School

Fellowship of the Royal College of Physicians (UK) June 2018

Doctor of Medicine (MD), Cardiff University May 2011
A study into the prediction and prevention of new onset diabetes after transplantation

MEMBERSHIP OF PROFESSIONAL ORGANISATIONS

UK Kidney Association
British Transplantation Society
European Renal Association
European Society for Organ Transplantation

MEMBERSHIP OF OTHER ORGANISATIONS

National BAME Transplantation Alliance
All-Party Parliamentary Kidney Group
Doctors Against Forced Organ Harvesting - DAFOH (Secretary)
Give A Kidney (Board of Trustees)
Kidney Research UK (Board of Trustees)
Global Kidney Foundation (Board of Trustees)
UK Organ Donation and Transplantation Research Network (Board Member and theme lead)

AWARDS AND HONOURS

- TEDx Birmingham (<https://www.youtube.com/watch?v=WxoAVomnZ70>, 11th June 2016)
- Nominated for Nobel Peace Prize in 2016 and 2017 with DAFOH
- Awarded the 2019 Mother Teresa Memorial Award for Social Justice with DAFOH
