PROFESSIONAL SUMMARY

Currently working as a Consultant Obstetrician and Gynaecologist at Dorset County Hospital NHS Foundation Trust since 2011, with extensive experience in the NHS, having maintained continuous employment within the organisation since 2001. I am the Lead Consultant for Gynaecological Minimal Access Surgery and the Trust's Perinatal Mortality Review Tool (PMRT) lead. I possess extensive expertise in medico-legal matters, holding the Cardiff University Bond Solon (CUBS) Expert Witness Civil Certificate, and bring a robust understanding of both clinical and legal dimensions of obstetrics and gynaecology. I prepare approximately 70 reports annually, on behalf of both claimants and defendants, and have given oral evidence in both the Family Court and the Coroner's Court. I excel in delivering clear, concise CPR 35-compliant liability and causation reports, with reference to national guidelines and scientific literature. I am also invited annually to teach at the Royal College of Obstetricians and Gynaecologists and am a registered Royal College Examiner.
