Medicolegal Experience

I have been writing medicolegal reports since 2018 as a Consultant Orthopaedic Surgeon. Currently, I write approximately 800 reports a year. My waiting list for appointments is 7-10 days (location dependent). The completed reports are returned to the instructing parties within 14 days or sooner if required. I am happy to accept feedback on my reports from instructing parties. I accept instructions for screening and remote consultations. I also do prison/home visits.

I take instructions for:

- Personal Injury Reports
- Screening Reports
- Private Reports
- Liability and Causation/Negligence Reports
- Condition and Prognosis Reports
- Occupational Reports

Feel free to contact me to discuss any cases.
