Relevant Experience

Forensic Accountant

Trained as a Chartered Accountant with KPMG and after qualifying managed an audit team. In practice as partner in Elliott Bunker Chartered Accountants from 1987 to 2007. Resigned from general practice to concentrate on expert and dispute resolution work. I have acted as both a Party and Joint Expert and appreciate the requirements to report to CPR standards.

Wide experience of privately owned businesses, in valuing shares in those businesses. Particular expertise in partnership and shareholder disputes

and the concerns of business valuation; disputes arising on the disposal of a business and disputes relating to claims of professional negligence.

Expert in investigating disputes requiring forensic investigation of historic transactions.

Experienced in determining disputes between public bodies and private contractors.

Experienced as an accountant in negotiating and acting in numerous financial settlements and business disposals.

Arbitrator, Member of Chartered Institute of Arbitrators

I have acted in over fifty arbitrations, both written and oral. I have a particular interest in business disputes between partner proprietors of a business, whether based as partnership or limited company, and commercial disputes between businesses.

Expert, Member of Academy of Experts

Frequently nominated to act as Single Joint Expert and Party Expert reporting on matters relating to business valuation, calculation of profits, business dissolution and insurance claims and appearing in Court to present my findings in matrimonial and other matters.

I am experienced in matters relating to professional competence and professional negligence within my own profession frequently acting as a joint expert.

I have acted in both Civil and Criminal proceedings.
