Clinical practice and Experience

I have been a consultant ENT surgeon since 2013 and currently practice at Derriford Hospital (NHS) and Nuffield Hospital Plymouth (Private). I am also Service Line Director for ENT and Lead paediatric ENT surgeon at Derriford. My clinical practice covers: general and complex paediatric ENT; otology (ears, hearing and balance); and general adult ENT.

Medicolegal experience and areas of expertise

I have been undertaking medicolegal instructions since 2018 and produce on average 75-100 reports per year. Personal Injury 95%, Clinical Negligence 5%. Claimant 98%, Defendant 2%. My areas of expertise include:

- Personal injury resulting in ear nose or throat symptoms (eg hearing loss, tinnitus, dizziness/vertigo, nasal deformity, altered sense of smell/taste).
 - Industrial/Noise induced hearing loss claims.
