

NEWA EXPERT WITNESS RESUME N V MORLEY MRCPharm June 2026

A freelance, independent consultant, a Registered Pharmacist and Expert Witness. Verified Senior Mentor for The Royal Pharmaceutical Society now Royal College of Pharmacy. Committee member of Pharmacy, Law and Ethics Association (PLEA). I have assisted police forces nationally.

Jurisprudence appearances include Judicial Inquiries, Crown Court, General Medical Council, Pharmaceutical Statutory Committees and NHS Resolution Oral Hearings.

Provides advice, training consultancy and research papers to and for the Department of Health, Strategic Health Authorities, Primary Care Organisations, academic institutions, pharmaceutical companies and individual clinics and medical practices.

Former Senior External Examiner BTEC Dispensing Course. Past Member of the Review Panel for University of Manchester Pharmacy Postgraduate Education and Past Member of the Primary Care Group Pharmacists Association. Consultant to HM Prison Service Pharmaceutical Services prior to outsourcing of the same.

Leading educationalist in good practice relating to controlled drugs and pharmaceutical services. Author of "Controlled Drugs in Primary Care – the Law, Probity and Good Practice"

Advisor to and member of National Prescribing Centre and Department of Health. "Controlled Drugs Focus Group". The General Pharmaceutical Councils Fitness to Practice Focus Group.

Advisor to Shipman Judicial Inquiry and attendee at its Controlled Drugs Seminars. Witness as to both fact and opinion.

Previous experience includes several reports for the Department of Health concerning the provision of pharmaceutical services by appliance contractors, community pharmacies and dispensing doctor contractors.

Confidential and Expert Witness Reports have also been commissioned by the Pharmaceutical Industry including the Distribution Chain, DOH, The Home Office, Police. Healthcare Professional Defence Associations, Liability Insurers and Health Authorities, Civil and Criminal Law Solicitors relating to Controlled Drugs or Medical or Pharmaceutical Negligence and other matters including Internet Pharmacy, Secondary Care, Inquests and Extradition Proceedings.

Experience of Sentencing Guidelines and Proceeds of Crime assessments involving stolen pharmaceuticals and Controlled Drugs offences.

Papers have been submitted to the Department of Health, Oxera Review, Shipman Judicial Review, the Home Office and MHRA in the UK. The Canadian and Taiwanese Governments, W.H.O. and UNESCO, amongst other non-UK institutions.

I have had extensive experience of Criminal cases some examples include:

1. Irregularities by Independent and Multiple Community Pharmacies, NHS and Private General Practitioners and Clinics.
2. Irregularities by Wholesalers, Distributors, Importers and Manufacturers including unlawful diversion.
3. NHS Counter-fraud cases involving Community Pharmacies, Appliance Contractors, Dispensing Doctors and Dentists.
4. Have had several cases involving the Proceeds of Crime Act assessments.
5. Was a Witness both to opinion and fact to the Shipman Judicial Inquiry .
6. Have undertaken several cases relating to drink and driving and drug and driving.
7. Have been involved in a number of cannabis cases
8. Have assisted Kent and Liverpool Police Forces regarding cases of bulk Controlled Drugs both illicit and licit.
9. Have worked on a significantly large case involving unlawful export and import of unlicensed drugs for an Extradition Case.
10. In the past I worked with an ex Senior Home Office Controlled Drugs Inspector providing advice on the high risk of unlawful diversion of Controlled Drugs from hospices and a paper submitted to a Government Minister.
11. Have produced several reports relating to sexual offences including one where I gave evidence at Cardiff Crown Court.
12. Expert Witness for the Courts in respect of sentencing of Controlled Drugs Offenders.
