MEDICAL-LEGAL EXPERIENCE AND TRAINING

I have acted as an expert witness since 2018. I am happy to see a wide range of clients, including those with fractures, arthritis, joint replacements, soft tissue injuries, back pain, whiplash and complication arising from any of the above conditions and treatments.

I have attended the Bond Solon Excellence in Report Writing and the yearly conference and was instructed by both claimants and defendants on personal injury.

I run monthly clinics in different locations in the UK, I submit reports within 10 days of clinic date (provided all medical records supplied).
