

For 10 years we have worked with trusted Ophthalmic experts across the United Kingdom and have provided, through these highly experienced experts, thousands of medical reports covering all aspects of Ophthalmology including but not limited to:

- Glaucoma
- Keratoconus
- Vitreo-Retinal
- Retinal Detachment
- Neuro-ophthalmology
- Corneal and External Eye Disease
- Corneal Transplant
- Cataract Surgery
- Paediatric Ophthalmology
- Refractive Surgery including Laser Vision Correction
- Eye Trauma
- Eyelid Surgery
- Oculoplastics
- Diabetic Eye Disease
- Age-related Macular Degeneration
- Strabismus
- General Ophthalmology

All experts have undertaken formal medico-legal training with Bond Solon and work continuously to remain leaders in their respective ophthalmic specialities.

We serve all parts of the United Kingdom.

Fees start from:

- Screening report £1200
- Personal injury report £1800
- Medical negligence report £2400

Free initial case advice can be provided usually within 1-2 days by one or more of our experts. We work diligently to ensure deadlines are met. Report turnaround times are often 1-2 weeks, with 3-4 weeks being the standard.

Expedited reports are available.

We seek fee agreement before any work is undertaken.
