SUMMARY:

I have over 15 years experience in specialist urological practice and currently hold a Consultant NHS post at Guy's and St Thomas' NHS Foundation Trust. I specialise in all areas of general urology but have an internationally renowned practice in functional and gynaecological urology, neuro-urology, urinary tract infections, and urinary tract reconstruction (both open and robotic). I also specialise in the management of prostate diseases, benign prostate enlargement and urological cancers, and have undergone specialist training in these areas.

I have received medicolegal training through the Cardiff University Bond Solon Expert Witness Certificate. I have considerable experience of assessing serious incidents, performing root-cause analyses, and medico-legal report writing, and serve as the Clinical Governance Lead at Guy's hospital. My reports are compliant with the Civil Procedure Rules Part 35 and Practice Direction 35. I am happy to be instructed by Claimant and Defendant law firms in both personal injury and clinical negligence cases.

MEDICO LEGAL EXPERIENCE:

Date Medico Legal work started: 2024

% for Defendant, Claimant, & Joint: 50%, 50%, 0%

Reports produced per year: 6 reports

Court Attendances per year: 0

Additional Information: I will receive instructions from both solicitors and insurance companies, and will act for Claimant, Defendant, and single joint expert.

TEACHING

I am an expert tutor on the Basic Surgical Skills course, FRCS (Urol) course, Scientific Basis of Urology Course, BAUS functional urology training course, and EAU prosthesis course. I am the undergraduate Urology lead for King's College London Medical School and am a tutor on the London Deanery teaching programme for specialty registrars.

RESEARCH AND PUBLICATIONS:

I have published extensively, including several book chapters. I am regularly an invited speaker at national and international conferences, including the European Association of Urology, British Association of Urological Surgeons, International Continence Society and International Society for the Study of Interstitial Cystitis.

I serve as an editorial board member of the journals *BJUI Compass* and *Prostate Cancer and Prostatic Diseases*, and am a reviewer for several other specialist Urology journals.

I have over 100 peer-reviewed publications, which can be accessed at:
