## Introduction

38 years of professional experience in Clinical Radiology. Served as a radiologist in 5 countries spread across 3 continents.

I served 13 years in the Indian Army Medical Corps where I gained experience in military casualties.

Subsequently, I served in Yemen where I gained experience in civil strife related injuries.

Yemen was followed by Oman and Mauritius.

I am an NHS Consultant Radiologist since 2004.

## Medicolegal Skills

- I prepare Radiological Medicolegal reports pertaining to paediatric and adults encompassing neuroradiology, trauma, chest, abdomen, genitourinary, gynaecology, and obstetric imaging.
- I compose lucid reports for the courts and members of the public.
- I collaborate to create Joint Expert reports.
- I participate in conferences with Counsels.
- I testify in Courts of Law.
- I prepare Single Joint Expert reports

## **Medicolegal Experience**

From 2012 – till date, I have provided reports:

- in Civil cases concerning personal injury and Clinical Negligence.
- in Criminal cases involving children, adolescents, and adults.
- for Overseas Clients.

I have testified in Coroners', Criminal, and Military courts.

I am an empanelled Expert Witness of the General Medical Council, UK.
