Profile

Dr. Mir is an Independent Chartered Clinical Psychologist with over a 15 years of post-qualification experience in assessing and treating adults with mild, moderate, and severe mental health difficulties. He is highly experienced in producing psychological reports for Family and Civil Court proceedings, having provided expert witness services for over ten years.

Dr. Mir has extensive experience providing expert witness services for legal proceedings. He delivers well-structured, evidence-based reports compliant with Civil Procedure Rules (CPR) and Family Court requirements. His expertise is regularly sought for cases involving psychological trauma, personal injury, capacity assessments, and forensic risk evaluations. He has received formal expert witness training and is skilled in providing clear and robust testimony in court.
