MEDICO-LEGAL EXPERIENCE

I am an experienced NHS Consultant Orthopaedic Surgeon, a Professor of Orthopaedic Trauma at the University of Oxford, & an internationally recognized researcher & educator. With over 8 years of experience in preparing personal injury medical reports, I provide expert medico-legal assessments for all aspects of general orthopaedic injuries, including whiplash. My specialist expertise extends to complex trauma, infection, & deformity.

I conduct regular medico-legal clinics in Liverpool & Chester & am fully compliant with Civil Procedure Rules (CPR). I have undergone extensive training in medico-legal report writing, including bespoke training with a senior Orthopaedic Consultant with over 25 years of experience in the field. To ensure the highest standards, I engage in continuous professional development through regular courses & conferences.

I am a MedCo-accredited Direct Medical Expert, a vetted member of the UK Register of Expert Witnesses, & hold a Certificate of Excellence in Report Writing (Bond Solon). My commitment to precision, integrity, & evidence-based reporting makes me a trusted expert in the medico-legal sector.
