## EXPERIENCE

I have near two decades of valuation and surveying experience. I started at the Highways Agency Dealing with Part 1 claims under the Land Compensation Act 1973. I then moved to the Valuation Office Agency who undertake property consultancy work for Government Departments as well as maintaining the Rating Lists in respect of Business Rates and Council Tax.

Since moving to private practice, I have been providing professional consultancy and valuation advice to clients in connection with both commercial and residential land and property matters primarily within the North West of England, but also throughout the UK, to include Northern Ireland and Scotland.

I have acted as an expert witness in Legal Remedy & Rating matters having appeared in person at a number of Court & Valuation Tribunal hearings in connection with disputes over real estate interests & rateable value assessments as Single Joint Expert and Party Appointed Expert. I have considerable experience in CPR Part 35 & FPR Part 25 expert reporting.

## PROFILE

I, Mark Andrew Smith, hold the position of Equity Director with Parkinson Real Estate, an RICS regulated firm of Chartered Surveyors and Property Consultants with offices in Manchester, Preston and Wigan.

I develop new business for and manage the Valuation Advisory Team at Parkinson Real Estate who operate from all three of our offices. My team & I prepare valuation advisory reports on all real estate matters concerning commercial property, land and development projects as well as residential investment properties, land and development projects. My team includes Chartered Surveyors, Graduate Surveyors and Administrative Support Staff.

I provide consultancy advice in relation to a wide range of properties including residential, offices, retail, industrial, leisure and development.

My client base is diverse and includes sole traders, SMEs, PLCs, Local Authorities, Central Government and Charities.

I act as an assessor for RICS in their assessment of professional competence interviews in determining potential chartered surveyors relevant experience and knowledge to become elected into the institution.
