Medicolegal Experience

I began medicolegal work in February 2022. I have completed reports covering a range of issues in general gynaecology, forensic gynaecology and urogynaecology. I have completed reports at the request of the claimant in approximately 60% of cases, and on behalf of the defendant in 40% cases. I complete approximately 25 reports per year. I have not yet had a court appearance. I completed the Cardiff CUBS course in Autumn 2023.
