## Professional Summary

With **20 years' experience** in forensic document examination and investigative work across both civil and criminal matters, I combine deep legal knowledge—backed by two law degrees—with advanced risk-assessment and due-diligence capabilities. I have authored expert reports for the High Court of England & Wales, obtained a summons against the Chief Land Registrar in a landmark land-title dispute, and travelled to Canada to present evidence in provincial courts.

## Areas of Expertise

- Forensic document examination & questioned-document analysis
- Handwriting & signature verification; ink & paper differentiation
- Scratch-part analysis & artefact examination
- Risk assessment & due diligence reviews
- Incident & investigation report writing (civil & criminal)
- Joint & single expert opinion reports
- Expert witness testimony in property, fraud, personal injury, and administrative justice cases

## Expert Testimony & Notable Cases
