

JANE JAMES & ASSOCIATES

Led by Managing Director and Paediatric Care Expert Lucinda Lloyd, Jane James & Associates have been leaders in the expert reporting profession for over 35 years.

We provide straightforward, highly regarded clinical negligence and personal injury reports supported by a first-rate personalised, professional and award-nominated service you can rely on.

We understand how important it is to build positive relationships with our clients, therefore we have a dedicated internal expert liaison team to ensure a smooth process from the initial inquiry to the settlement of a case.

We accept instructions from both Claimant and Defendant solicitors for liability reports and quantum reports focusing on catastrophic injuries and complex care.

OUR REPORTS

LIABILITY REPORTS

Our liability reports are clear, concise, and straightforward to read. We ensure our experts are trained to understand the terminology and phraseology used in liability reporting. We have experts who report in a range of areas including:-

- General Nursing
- Neurological Nursing, including Stroke
- Neurosurgical Nursing
- Midwifery
- Mental Health Nursing
- Minor Injuries
- Manual Handling
- Tissue Viability

QUANTUM REPORTS

Our quantum reports are succinct, robust, easy to read and clear on costs. Each report is considered, well-balanced and created with cost effectiveness in mind. Our Adult/Paediatric Quantum Reports cover:-

- Occupational Therapy
- Care
- Care/Occupational Therapy
- Neurophysiotherapy
- Manual Handling
- Brain Injury
- Spinal Injuries
- Birth Injuries
- FND
- Mental Health
- Tissue Viability
- Orthopaedic
- Amputees
- Loss of Service
- Vocational

OUR EXPERTS

Our experts are based across the UK. They are highly experienced registered nurses, occupational therapists, and physiotherapists, many of whom work as case managers within litigation.

JJ&A experts receive comprehensive expert witness training and understand and adhere to the Civil Procedure Rules Part 35.
