Oliver is a chartered quantity surveyor with over 35 year's experience in the construction industry, working in manufacturing, contracting and consultancy sectors. Oliver is also an experienced Contract Administrator/Employer's Agent. He now specialises in dispute resolution, providing expert evidence in quantum matters. Oliver also holds the Bond Solon Expert Witness Certificate.

The Managing Director of a law firm stated: *"Oliver's work is of the highest order. A man of integrity and immense skill. The best compliment I can level at him is that I would rather not have him against my clients!"*

- MSc (Hons) Construction Law and Dispute Resolution Kings College London
- BSc (Hons) Quantity Surveying University of Westminster

Bio

Oliver trained with a main contractor working in the urban regeneration sector in London. He then moved to a major consultancy primarily working in educational capital procurement and public frameworks.

Latterly he has focused on dispute resolution, providing quantum expert evidence and support to clients on distressed projects. Oliver continues to practice as a quantity surveyor and contract administrator for project delivery.

Oliver's experience includes:

- Expert witness on quantum matters in litigation. Appointed by Claimant. Assessment of losses incurred in the demolition of a leisure centre in Wales consequential to an erroneous asbestos survey.
- Expert witness on quantum matters in litigation (TCC). Appointed by Respondent. Assessment of costs for the rebuilding of a fire destroyed block of flats and the remediation of two associated blocks of flats in the South of England.
- Expert witness on quantum matters. Appointed by Respondent. Assessment of costs for the remediation of intrusive survey works at a Central London residential property. Providing expert testimony and expert dialogue at mediation for the same.
- Providing quantum expert evidence in contemplation of litigation as to the value of remaining works on a near complete student accommodation block in Liverpool.
- Providing quantum expert evidence in response to an Adjudication for refurbishment works at a historic hotel in the southwest of England.
- Pre-contract cost management services for a £30m bank fit out project in London.
- Pre and post contract cost management for an £80m hotel redevelopment in Central London using a bespoke cost reimbursable contract.
- Providing replacement CA/QS services for the post contract administration of an office block refurbishment in the southwest of England following the termination of the previous CA/QS's employment.
