University of the Witwatersrand  
Johannesburg South Africa

## Professional Memberships

- Member of the Chartered Institute of Building (MCIOB)
- Member of the Association of Project Managers (MAPM)
- Member of the Academy of Experts (MAE)

## Bio

A chartered Construction Manager working as a project and programme manager within the construction industry on a wide range of projects in the public and private sectors, having worked as a business unit director in the defence and global public sectors, managing key client accounts such as the UK's Foreign and Commonwealth Office and Department for International Development, the United Nations and NATO.

Luis has worked as an independent expert for several well-known consultancies, regularly instructed to provide an expert opinion on project and construction management matters as well as matters relating to the analysis of project delays.

## Luis's previous experience includes:

- Appointed as the lead delay expert, testifying in the Royal Courts of Justice in London (County Court) in relation to a dispute in the UK, to assess delays that occurred on a mixed used development, which comprised of 73 residential units, and a commercial space at ground floor and basement levels.
- Appointed as the lead delay expert to assist a main contractor to assess delays in relation to the design and construction of a development, which is comprised of 191 apartments, as well as all associated landscaping and utilities works, in the UK.
- Appointed as the lead delay expert to assist a main contractor to assess delays in connection with the design and construction of a new development, which is comprised of 220 affordable residential dwellings located within seven blocks, as well as all associated landscaping and amenities, in the UK.
- Prepared the delay section of a CPR-35 compliant single joint expert report for a dispute at the High Court of Justice (Birmingham branch), relating to the conversion of an existing hotel into eight self-contained dwellings; the extension of an existing coach house; and the conversion of an existing garage into a one- bedroom flat.
- Assisted the lead project management expert in a dispute between Employer and consultant in the UK, preparing a preliminary report on the project management and Principal Designer aspects of the Project, opining on whether the project manager discharged its duties properly.
