## PROFESSIONAL PROFILE

As an experienced **Testifying Chartered Quantity Surveyor, RICS Accredited Mediator and Quantum & Building Expert Witness**, with a **Masters in International Arbitration and Construction Law (LLM)**, I am regularly appointed to provide expertise on a range of small, large and medium-sized disputes within the construction industry in the UK, Ireland, Cyprus, Kazakhstan, Saudi Arabia, Qatar and the UAE.

I am also a member of the London Board of the RICS, the Standing Conference of Mediation Advocates and Prime Dispute.

I have a robust understanding of arbitration, negotiation, consultancy and project management and am highly skilled in the preparation of business-critical dispute and Quantum & Delay particulars.

## PROFESSIONAL EXPERIENCE

*Founder and Managing Director of MPG ([www.mpgqs.com](http://www.mpgqs.com)), acting as an expert witness in formal Property, Construction and MEP disputes.*

- Quantum Expert to produce preparation of claims for Delays and loss for a hotel project in London, claim value £22M Claims
