Clinical Psychologist
HCPC Registered Practitioner Psychologist (PYL043256)
Chartered Member of the British Psychological Society (346558)

PROFESSIONAL SUMMARY

I am a Clinical Psychologist registered with the Health and Care Professions Council (HCPC) and the British Psychological Society (BPS), with over 13 years of experience working within NHS services. I undertake independent medico-legal assessments and prepare expert witness reports for personal injury litigation in accordance with Part 35 of the Civil Procedure Rules.

I have extensive experience in psychological assessment, case formulation, psychometric testing, diagnostic opinion, and report writing. My clinical expertise includes PTSD, anxiety, depression, specific phobias, adjustment disorders, and the psychological consequences of physical injury

Areas of Instruction: Personal injury (e.g., RTA, medical negligence, falls)
Client Group: All ages
