Lisa Vincent-Smith MB ChB, MRCP, PgDip
Consultant Respiratory, Sleep Medicine and General Medicine
GMC 4412751 MDDUS M161009 ICO:00011380814

Medicolegal Curriculum Vitae

I trained at Glasgow University and graduated in 1997. I did my Registrar training in the South West spending a year in the Bristol Sleep Service. I have been a Consultant Physician in Respiratory , Sleep and General Medicine since 2009. I have been a Consultant at Medway Hospital since 2009 when I start a sleep service which we extended to include Domiciliary Ventilation from 2010, we have a specialised MND ventilation service run jointly with Wisdom Hospice. I completed a Pg Dip in Clinical Education at Plymouth University in 2010. I am member of the British Thoracic Society, European Respiratory Society, The European and British Sleep Society, Member of the Royal College of Physicians and Surgeons Glasgow.

I worked in the NHS since August 1997 until now, I am Currently Royal College Tutor for Medicine responsible for the Postgraduate training within the Medical Division. I am a MHPS investigator, I have written several reports for the Hospital Board.

I have extensive experience in all aspects of Respiratory Medicine including asthma (including occupational asthma), chronic obstructive pulmonary disease (COPD), bronchiectasis, thromboembolic disease, interstitial lung diseases (pulmonary fibrosis), pneumonia, respiratory infections, lung cancer, pleural disease (including pleural effusions), respiratory failure, and sarcoidosis. I have run a Sleep Service with Polysomnography since 2009 and am experience in most aspects of Sleep medicine and Domiciliary Ventilation including hypoventilation, obstructive sleep apnoea, central sleep apnoea, periodic leg movement disorder (restless legs), parasomnia and REM sleep behaviour disorder.

I have attended seminars and workshops on how to be an Expert Witness and have been involved with scrutinising complaints within the Trust. I am a Member of the Faculty of Expert Witnesses. I am up to date with my medico-legal training.
